A Juried Exhibition to integrate the power of art and medicine.

### EXHIBITION DETAILS

Mosaic Medical Center-Maryville invite artists **who reside within 100 miles of Maryville, MO**, to participate in the Mosaic Medical Center-Maryville Art Experience Galleries Juried Exhibition: "The Art of Healing."

Qualified artists selected for participation in the Exhibition shall have their artwork displayed at the Art Experience Galleries for approximately six months, beginning December 5, 2023.

The theme for the December 2023 Exhibition will be Artist Choice.

Each artist may submit an *unlimited* number of works. There is no entry fee.

### SUMMARY OF ENTRY REQUIREMENTS

To be considered eligible, each entry must include the following requirements:

- Signed Entry Form (if participant is under the age of 18, entry form must be signed by parent or legal guardian)
- A photo of each entered work (refer to Photos section below)

Entries must include a photo of the artwork. Please include a photograph of each work separately, if entering more than one piece. Please avoid distracting backgrounds. Digital photo files must be in .jpg format and no larger than 1MB. Each file must be named with artist's name, entry number, title, medium, year of creation (for example: Conway\_ Entry 1\_Spirit of Missouri\_oiloncanvas\_2010.jpg).

Digital photos must be submitted via email to: [Megan.Jennings@mymlc.com](mailto:Megan.Jennings@mymlc.com)

All entries must be received by **Midnight, November 17, 2023**

All entries must be original and the sole property of the artist for show or sale and may not contain copyrighted materials owned by others (including photographs, sculptures, paintings, or other works of art or images) without adequate permission.

Artwork in most media will be considered; however, due to the limitations of the venue, video and performance art cannot be accommodated.

**Artwork that includes foul language, or depiction of nudity, sex, hate, violence, blood, collisions of any kind, death, cemeteries, coffins, or any other offensive depictions will not be considered due to the sensitivity of the hospital environment.**

There is no maximum size for submitted entries. While we have fewer exhibition areas for extremely large or heavy works, we will consider them for review and work to find an accommodating space for them, should they be selected.

**Please no sawtooth hangers, slot hangers or glass with clips. Art must be framed in a standard frame with wire on the back, ready for hanging. Canvases are not required to be framed if the canvas is wrapped around the edges, but still must have a wire for hanging.**

Works on paper must be matted, framed under glass and not plexiglass.

All Selected Artwork **must** be labeled on the reverse (wall mounted) or bottom (sculpture/pottery) with the artist's name, title, medium, price and contact information.

Example:

*Artist name: Ann Jones*

*Theme: Spirit of Missouri*

*Type: Oil on canvas 2010*

*Price: \$100 (or please use "NFS" if your piece is not for sale)*
